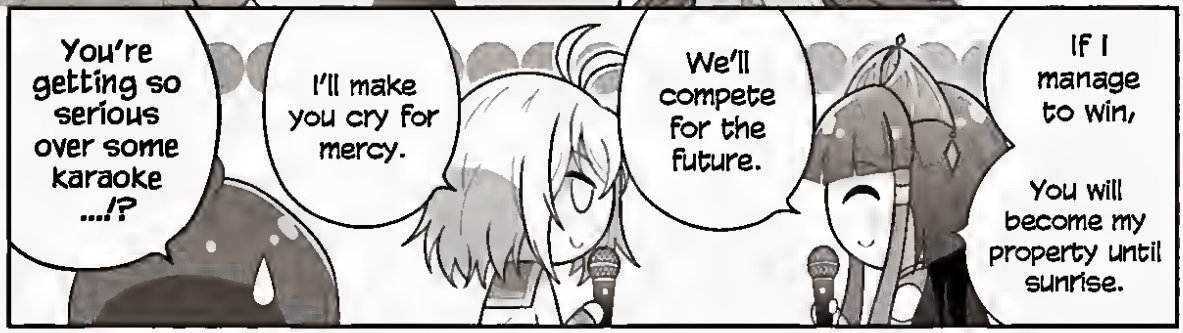
in A KARAOKE SHOWDOWN!?

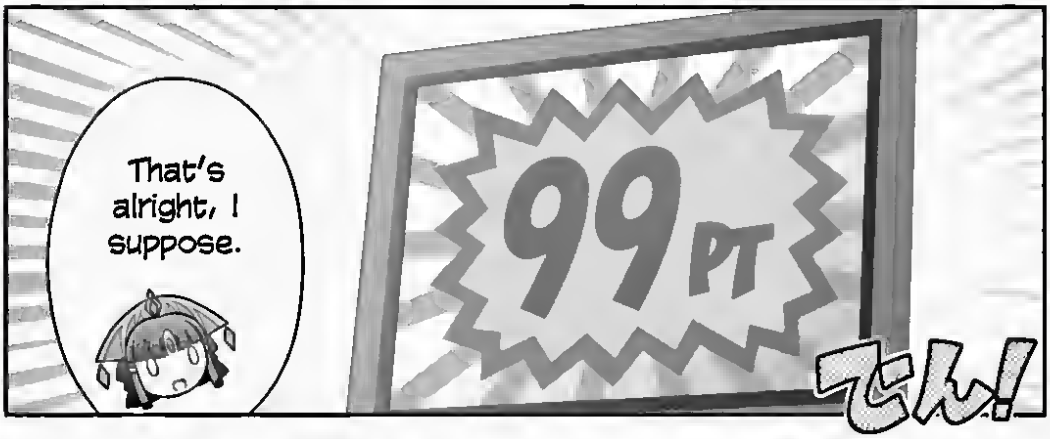


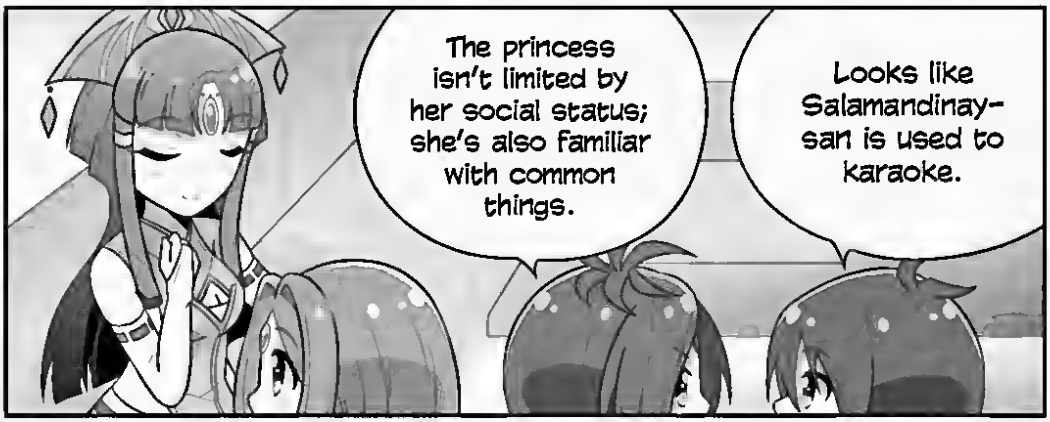
You're getting so serious over some karaoke ...!?
I'll make you cry for mercy.
We'll compete for the future.
If I manage to win,
You will become my property until sunrise.

Can't Compete

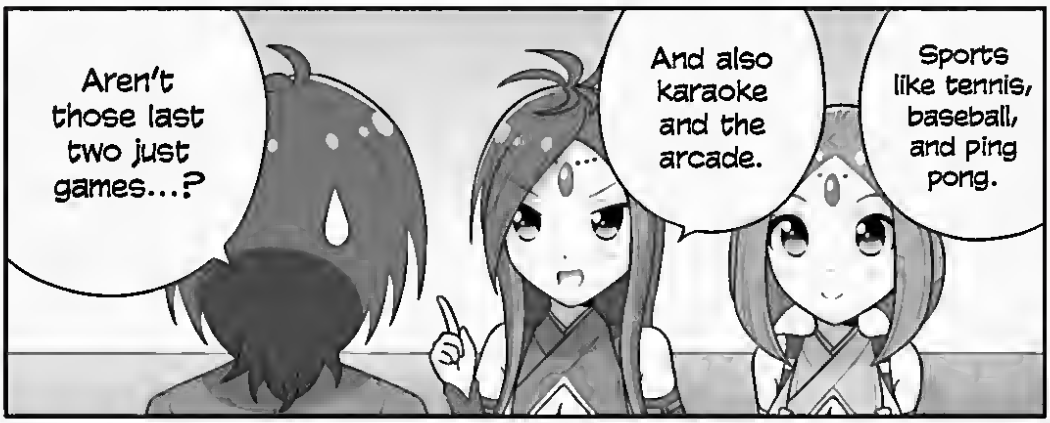
It's not just singing, they also have food and drinks.
Is this your first time doing karaoke?
.....
How about we get something to eat first?
S-Sure...
You can't compete on an empty stomach.
Singing will be tough...
My stomach...
I ate way too much...
Phew...
What are you talking about?
Wait, did you plan this!?

Salamandinay's Turn





The princess isn't limited by her social status; she's also familiar with common things.
Looks like Salamandinay-san is used to karaoke.



Ange's Turn

Are you sure? Don't push yourself too hard.
Shut up, Salaman-man.
